Nothing is more Desirable to such patients than Solitude, and nothing they more dread than fear for themselves; no repose of manner, no carnestness, no speculation but a hurried transition from one question to another.

These symptoms, if allowed to go on—which this medicine invariably removes—soon follows Loss of Power, Fatulty, and Erileptic Firs, in one of which the patient may expire. Who can say that these excesses are not frequently followed by those direful diseases—Insanity and Consumption?
The records of the Insane Asylums, and the melancholy deaths by Consumption, bear ample testimony to the truth of these assertions. In lunatic asylums, the most melancholy exhibition appears. The countenance is actually sodden and quite destitute. Neither Mirth or Grief ever visits it. Should a sound of the voice occur, it is rarely articulate.

BEFORE TAKING THE AFTER TAKING THE ELEXAGE. DR. WRIGHT'S

CELEBRATED REJUVENATING ELIXIR!! Prepared on the strictest Pharmaceutical princ by one of the ablest Chemists of the age.

by one of the ablest Chemists of the age.

This is altogether a new medicine, the result of modern discoveries in the vegetable kingdom, being an entirely new and abstract method of cure, irrespective of all the old and worn-out systems published by accomplished quacks to the suffering. Dr. Wright, well knowing the deception practised upon the uninitiated, felt it his duty at once to have this Elixir tested by the whole Medical Faculty, who, without even one dissenting voice, have given in their adherence to its perfect and undivided control over the whole physical man when his frame has been reduced, and when all other medicines known to the Pharmacopecia have been tried in vain. Longthought, years of patient investigation, and a nil desperandum determination, have crowned the Doctor's efforts, and he now offers the Elixir to suffering humanity as the only thing that can cure the following diseases—namely: GENERAL DEBILITY,

ED IDEAS,

GENERAL IRRITABILITY.
RESTLESSNESS AND SLEEPLESSNESS AT

NIGHT
ABSENCE OF MUSCULAR EFFICIENCY,
LOSS OF APPETITE,
DYSPEPSIA,
EMACIATION,
LOW SPIRITS,
DISORGANIZATIOM OF THE ORGANS OF GENERATION,
PALPITATION OF THE HEART,
And, in fact, all the concomitants of a nervous and
debilitated state of the system.

As a Stimulant,

As a Female Medicine,

As a Female Medicine,
It is equally powerfu and effective, and restores the
equilibrium sooner and safer than all the other medicines which for years have flooded the market, and
which are only injurious, in place of assisting or
renovating the constitution; for a very good reason
too, that they are only made from the effusions of
minds ignorant of the Medical profession altogether.

No Minerals!

Dr. Wright thinks it well to stake his professional character on the fact, that no minerals whatever form the least component parts of the ingredients in its Rejuvenating Elixir—well knowing what ruin has been entailed on the community by opium and ercurv. Generally, to the debilitated, Dr. Wright would say Never despair. No matter how worn down sou may be no matter how weak you are no matter what the cause may have been-forsake at once whatever has led you to depart from Hygienic principles—take his

Rejuvenating Elixir. And you will soon find yourself a new man—a pride instead of the reverse, to your friends, and a health, sound, and worthy member of the human family. Proclamation of the Governor.

Whereas, numerous applications have been made to me from many good citizens of this Commonwealth, praying me to issue a proclamation forbidding the march of any forces of this or any other State or States over our soil to make an apprehended attack upon the Federal forces at Cairo, in Illinois, or to disturb any otherwise the peaceful attitude of Kentucky with reference to the deplorable war now waging between the United States and the Confederate States. And whereas, numerous applications from like good citizens of this Commonwealth have also been made to me, praying me to issue a proclamation forbidding the occupation of any post or place, or the march over our sacred soil by any force of the United States for any purpose. And whereas, it is made fully evident, by is the determined purpose of the good people of Kentucky to maintain, with courageous firmness the fixed pool people of Kentucky to maintain, with courageous firmness, the fixed position of self-defense, proposing or intending no invasion or agsion towards any other State or States forbidding the quartering of troops upon her soil by either of the hostile sections, but simply standing aloof from an unnatural, horrid, and lamentable strife, for the existense of which Kentucky, neither by thought, word, nor act, is in any wise responsible. And whereas, the policy thus recommended by so many of my fellow-citizens of all political leanings, is, in my judgment, wise, peaceful, safe, and honorable, and the most likely to preserve peace and amity between the neigh boring bordering States on both shores of the Ohio river, and protect Kentucky, generally, from the ravages of a deplorable war. And whereas, the arms distributed to the "State Guard," composed as it is of gentlemen equally conscientious and honest, who entertain the opinious of both parties are tain the opinions of both parties, are not to be used against the Federal Government nor the Confederate States, but to resist and prevent encroachments upon her soil, her rights, her honor, and her sovereignty by either of the belligerent parties, and to preserve the peace, safety, prosperity, and happiness and strict neutrality of her peopte, in the hope she may soon have an opportunity to become a successful mediator between them; and in order to remove the unfounded distrust and suspicions of purposes to force Kentucky out of the Union, at the point of the bayonet—which may have been strongly and wickedly engendered in the public mind in regard to my own position and that of the "State Guard," Now, therefore, I, BERIAH MAGOFFIN,

Governor of the Commonwealth of Kentucky, and Commander-in-Chief of all her military forces, on land or water, have issued this my proclamation, hereby notifying and warning all other States, whether separate or united, and especially the "United States and the "Confederate States," that I solemnly forbid any movement upon the soil of Kentucky or the occupation of any port, post, or place whatever within the lawful boundary and jurisdiction of this State, by any of the forces under the orders of the States afore said, for any purpose whatever, until authorized by invitation or permission of the Legislative and Executive authorities of this State previously granted. I also hereby especially and solemnly forbid all good citizens of this Commonwealth, whether incorporated in the "State Guard" or otherwise, making any war-like or hostile demonstrations whatever against any of the authorities aforesaid, earnestly re questing all citizens, civil and military, to be obedient hereto; to be obedient to the laws and lawful orders of both the civil and mili tary authorities; to remain when off military duty quietly and peaceably at their homes, pursuing their wonted lawful avocations; to refrain all words and acts likely to engender hot blood and provoke collision; to pursue such a line of wise conduct as will promote peace and tranquility, and a sense of safety and security, and thus keep far away from our beloved land and people the deplorable calamities of invasion; but at the same time earnestly counseling my fellow-citizens of Kentucky to make prompt and efficient preparations to assume the armor and attitude pre-scribed by the paramount and supreme law alone; praying Almighty God to have us ever-more in his holy keeping, and to preserve us in peace, prosperity, and security for-
